

## **Crime Statistics September, 2019**

**October 9, 2019  
Michael MENZEL  
Intelligence Analyst, WPS**

\*Unless otherwise noted, all crime statistics in this report are compiled using the "all violations" methodology. These statistics should not be compared with those provided by the Canadian Centre for Justice Statistics (CCJS), a division of Statistics Canada. This published data measures only the most serious offence related to an incident. In addition, the CCJS includes the number of offences reported by the Windsor Detachment of the Royal Canadian Mounted Police with the Windsor Police Service crime statistics. The CCJS data should be used for comparisons between policing jurisdictions as all data is compiled using the same reporting methodology

**\*Unless otherwise stated, the crime statistics are shown as a combination of City of Windsor and the Town of Amherstburg**
